1 ---
2 title: "My First Markdown"
3 author: "Sarah Cohen"
4 date: "1/4/2020"
5 output: html_document
6 ---
7
8 The title above will be rendered as a first-level header, so always
9 start with the second level:
10
11 ## About me
12
13 Here are three things you might not know about me:
14
15 * Before I came to Cronkite, I'd never lived farther west than
16 Western New York*.
17 * I saw the Talking Heads play "Psycho Killer" at CBGB. (The
18 drinking age was 18 then)
19 * The only sport I ever followed much was college basketball. I went
20 to school at UNC and taught at Duke. Guess which one has my loyalty.
21
22 ## My favorite animal
23
24 A lot of times, images come into a markdown very large. There are
25 ways to make it smaller.
26 Here's a picture of my favorite animal, downloaded from
27 <https://unsplash.com>
